HOST COUNTRY & VENUE

Singapore

Singapore - home of FOSSASIA Summit is the entrance point to South East Asia, a market of 650 million people. The central geographical location and a world class infrastructure and government make Singapore the perfect destination for technology leaders. The city has become the Silicon Valley of the Asian Pacific region. It is a hub attracting major tech players, multinational corporations and startups seizing new businesses opportunities with open technologies.

FOSSASIA Summit is the place to meet open source developers and companies from across Asia, that are increasingly leading technology development impacting businesses globally.

Lifelong Learning Institute

The Lifelong Learning Institute (LLI) is centrally located - 300 meters from Paya Lebar Metro station. This brand new complex is a dedicated space with modern facilities for education and training purposes built by Singapore Ministry of Education. LLI is a prime venue for major tech and education conferences in the country.

WHY SPONSOR THE SUMMIT?

- ★ If you use/adopt FOSS/Open Source inside your company, sponsoring a FOSS event is a great way to act as a good citizen of the society and enhancing your visibility in the global tech community.
- ★ Being a featured partner of the FOSSASIA Summit gives you direct access to skilled developers and Open Source leaders for recruitment.
- ★ As a sponsor of the event you gain a competitive advantage by introducing your FOSS solutions to developers and businesses and finding new business partners.
- ★ As a partner of FOSSASIA you access leading Open Tech experts, learn how to navigate the complex Open Source environment and integrate innovative FOSS solutions in-house.

PRE-EVENT OUTREACH CAMPAIGNS

2019 is the 10-year anniversary of FOSSASIA. We are proud to be a pioneer of the Free and Open Source Software (FOSS) in Asia. We initiate and maintain many Open Source projects ourselves. At the same time we build a strong network of developers. To celebrate our achievements, we will launch:

- ★ **Open Tech Nights** campaign: We offer free accommodation for 100 FOSS developers in the region to support their participation in the summit.
- ★ **I Love Open Tech Day**: on February 14, we will send out thank you postcard to our active contributors and supporters of the last 10 years.
- ★ **10 years FOSSASIA Documentary**: We will release a magazine (book) featuring FOSSASIA projects, developers and companies who support us during our journey.

Diversity Scholarship US\$5,000

Participating companies will be recognized in emails, social media and during event as a supporter to diversity efforts. More importantly, many attendees who normally would not have the means to attend otherwise, will have the opportunity to participate in the event.

APAC Contributors Accommodation Sponsorship \$6,000

This campaign called “Open Tech Nights” runs two/three months prior the event to encourage FOSS contributors in the region to join the summit by providing free accommodation in Singapore to selected developers. Selection is made based on their Open Source engagement over years. Participating companies will be featured throughout the entire campaign and during the event.

UNESCO Hackathon, US\$10,000

Show how your company is supporting good causes and support the UNESCO hackathon about topics like sustainability and environmental challenges. A great opportunity to take advantage of our existing attendee base. Sponsorship includes promotion on summit and UNESCO Hackathon website, in-event promotion, a company representative as a jury member, and the opportunity to provide prizes for winners. This opportunity can be taken by multiple companies.
