Singapore 2020**

**Exhibition Booklet**

**Conference + Workshops + Exhibition:  
Thu 19 March - Sat 21 March**

**After Event Dev Sprints:  
Sun 22 March**

**FOSSASIA is Asia's leading FOSS Technology conference for companies, startups, developers, educators, and IT professionals since 2009. 2020's event will cover Machine Learning, AI, Blockchain, Cloud, Hardware, Science and DIY.**

**2,500+ of Asia's best and brightest developers, startup founders, business decision makers will gather at the event**

FOSSASIA offers exhibitors the unique opportunity to:

- ★ **Drive sales.** Statistics show that 92% of attendees visited exhibition showcase.
- ★ **Reach the tech audience.** 60% of attendees were IT professionals. Major tech players including Google, Microsoft, Intel, IBM, Samsung, Oracle, SUSE, Singtel, Huawei and many others participated at previous events.
- ★ **Connect with new customers, investors and the world's top IT companies.** The number of successful partnerships and collaborations continue to grow over years at the FOSSASIA Summit.
- ★ **Receive international exposure.** 70.8% attendees were from Singapore, followed by India, Indonesia, Germany, Vietnam, Australia, Japan, Malaysia etc. (41 countries)
- ★ **Reach a new developer generation.** Students from 56 schools and universities majoring in computer science and engineering from Singapore and other Asian countries attended the last FOSSASIA Summit.
- ★ **Recruit the best talents in the industry.** There is no better place to recruit talent than tapping into the highly skilled open source developers pool.
